SKILLS

Languages
Javascript, C#

Frameworks
React JS, Next JS, .NET, .NET MAUI

Databases
MSSQL, MySQL, MongoDB, SAP

Tools
Git, Unity

SOFT SKILLS

- Collaborative
- Critical Thinker
- Fast Learner
- Committed
- Time Efficient

OBJECTIVE

Aspiring IT professional with hands-on experience in software and web development, debugging, and user experience testing. Skilled in JavaScript, C#, and modern frameworks such as React JS and .NET. Eager to contribute to impactful projects, learn from experienced developers, and grow in a collaborative, fast-paced environment.

EXPERIENCE

Technical SAP Intern, *Direc Business Technologies Inc.*
06/2024 – 10/2024 | Quezon City, Philippines
Assisted in SAP module configuration, supported users with technical issues, and collaborated with teams to maintain data accuracy and system efficiency.

COURSES

CS50's Introduction to Computer Science
Completed Harvard University's foundational course covering algorithms, data structures, memory management, software engineering, and web development. Gained proficiency in C, Python, SQL, HTML, CSS, and JavaScript, applying problem-solving skills through hands-on projects.

CS50's Introduction to Artificial Intelligence with Python
Studied key AI concepts including search algorithms, knowledge representation, optimization, machine learning, and neural networks. Developed AI-powered applications using Python libraries such as scikit-learn and TensorFlow, emphasizing practical implementation of AI techniques.

EDUCATION

Bachelor of Science in Information Technology (Cum Laude),
Pamantasan ng Lungsod ng Valenzuela
2021 – 2025

Senior High School (STEM), *Pamantasan ng Lungsod ng Valenzuela*
